President Graham Taylor,

Chicago School of Civics and Philanthropy,

116 South Michigan Avenue, Chicago.

My dear President Taylor:

Many thanks for your letter that I got this morning. As things turn out I am glad that we have got Dr. Franklin Johnson. He comes permanently this week. The two days that he spent with us last week left a most favourable impression upon us and we are looking forward with pleasure to his being here.

Mrs. Falconer and I got away from Norway to England with not much more than inconvenience and certain anticipation of trouble which did not materialise. I hope that you did not suffer much. I judge from your letter that you must have been in serious difficulties. If you have time to drop me a note telling about them I shall be delighted to hear from you. With kind regards, I am,

Yours sincerely,

President.
